

Arnaud Schrive

Lawyer

Description

Arnaud Schrive joined Adaltys in September 2022.

He advises and litigates in public business law and energy law.

Arnaud Schrive advises companies and local authorities on all matters relating to public procurement law and complex contractual arrangements, mainly in the infrastructure and transport sectors.

He has also developed a transversal expertise in energy law (photovoltaic, onshore and offshore wind energy, hydrogen, biogas, market mechanisms, corporate PPA) which enables him to assist operators in all their activities: from production to access to grid, up to competitive markets.
