

Frédérique Martin-Scimia

Lawyer

Description

In France and abroad, Frédérique Martin-Scimia designs solutions tailored to the day-to-day needs of companies of all sizes, as well as to their growth and reorganization projects. She assists company directors with their equity and restructuring transactions, as well as setting up shareholders' agreements and management packages.

In addition to negotiating and drafting commercial contracts, Frédérique Martin-Scimia also assists banks, investment funds and companies with financing and security issues.
