

Lydia Houmer

Lawyer

Description

Lydia Houmer works with Gilles Le Chatelier in the areas of public business law and energy law, both as counsel and in litigation.

In this capacity, she advises on issues of local government law, electoral law, civil service law, public property law and public procurement law.

She also acts in matters of energy law, in the context of administrative and judicial litigation.

She assists and represents both public actors (local authorities, public establishments of inter-municipal cooperation (EPCI)) and private actors in the management of their projects and the defense of their interests.
