Maxence Temps

Lawyer

Description

A graduate in public law and urban planning and environmental law, Maxence Temps joined Adaltys in 2024 after initial experience in a public law firm in Lyon.
At Adaltys, he advises and litigates on all issues relating to regulatory and operational town planning and environmental law (town planning authorizations, PLU, ICPE litigation), as well as development and land issues.
He advises local authorities, developers, associations and private individuals.
